CSCSB-ITES ARE ASKED
TO RENT ROOMS, APTS.
TO OUT-OF-TOWN STUDENTS

Faculty and staff are being asked to consider renting rooms or apartments to out-of-town students, according to Theron Pace, Housing Coordinator, who states that his office receives numerous requests during the summer from incoming students seeking living accommodations from CSCSB community personnel. Dr. Pace pointed out that many students have unusual backgrounds, such as a co-ed, a life-long resident of Spain who speaks English and Spanish fluently. She is interested in living with a faculty or staff member's family and teaching Spanish to their children.

The Housing office (Ext. 442) is located in Trailer 1B.
